## 1. INTRODUCTION

Welcome! All Peoples Church Bible College (APC-BC), started in August 2005, is a place where you as a follower of Jesus Christ will be challenged to deepen and broaden your relationship with God. We provide Spirit-filled, anointed, hands-on training and equipping for ministering in the supernatural power of the Holy Spirit along with doctrinally sound and intellectually stimulating study of God's Word. We believe in developing the whole person for ministry emphasizing godly character, deep roots in the Word of God, and powerful demonstrations of signs, wonders and miracles - all flowing out of an intimate relationship with the Lord. As a student you will study, pray, debate, laugh, cry, and grow with us, your faith family, as we spur one another on to greater realms in God.

At APC-BC in addition to sound teaching we emphasize the love of God in demonstration, the anointing and presence of the Holy Spirit and the supernatural work of God. Several young men and women have been trained and sent out to fulfill God's call over their lives.

Completing the online application and receiving an acceptance email from the Bible College is sufficient for the student to consider enrolled in the selected program.

**Withdrawal**

The term "Withdrawal" applies to the dropping of all courses by the student. To withdraw, the student must inform the college Administration in writing (email or letter) of his/her

intent to withdraw from APC- BC. The effective date of withdrawal is the date upon which the Administrator receives the written notice from the student.

A student on probation can be asked to withdraw from the Bible College, if the student does not meet the College's standards in academic performance, Christian behavior or spiritual discipline.

## **10. STUDY, HOMEWORK AND RESEARCH**

Every student is expected to study and to complete homework and assignments. Each subject may have its own recommended reading list that we strongly encourage you to read. Students are expected to add to their class work with their own extended reading program. Consider your time at the College an opportunity to be trained and equipped. Make the most of your time here.

### **Google Classroom, Google Meet**

Class assignments are given using Google Classroom ([classroom.google.com](https://classroom.google.com)). You will be provided access to the classrooms for your courses. Please ensure you have a good laptop and internet connection to do your assignments and submit them via Google Classroom. Alternatively, you can use the computers on campus.

If for some reason a day scholar is unable to attend class in person, you can connect to the class via Google Classroom and Google Meet.

### **How to do class assignments**

- Thoroughly understand the assignment you are given. If you do not understand, contact your instructor, and discuss the assignment.
- All assignments will be given in your Google Classroom and must be submitted online or as per the instructor's guidance.
- All homework assignments must be completed and submitted. Hand over the assignments in time, which will prevent a decrease in your grades.
- Team Projects - Few assignments are given as team projects. These are meant to develop student team spirit and improve relationships.
- Grades Appeal - The student could appeal to the Administration if the student feels that he/she has been graded unfairly.

## 11. EXAMINATIONS

Course grading is left to the discretion of the instructor.

Some instructors may conduct examinations or other forms of tests to grade your understanding of the course material. Others may give class projects, group assignments, etc.

### Grading System

Grading system depends on Homework assignments, Class tests, Class projects, Midterm Exams, Final Exams.

First class	: 91 % - 100%	-	Grade A+
Second class	: 76 % - 90%	-	Grade A
Third Class	: 51 % - 75%	-	Grade B
Pass	: 35% - 50%	-	Grade C
Fail	: Below 35%	-	Grade F

### Failing

You can fail a subject through non-attendance (less than 85%), through lack of hard work or poor-quality work, or by not contributing to the team projects. If you fail a subject for any of these reasons you will need to re-do the subject. In exceptional circumstances and at faculty's discretion, you may be given an alternative way of making up a failed subject.

### Cheating

Cheating includes copying another student's work, claiming another student's work as your own or use of materials in an exam that are not permitted. If it is discovered that there is evidence of cheating, the College will act and inform the lecturer of changes to the grade. Normally, a student caught cheating will be awarded a grade of 0% for the portion of work that he/she cheated on, or even a grade 0% for the subject for more serious incidents. Suspension from the class or dismissal from the College may also result. If a student is suspended from the class, the student will be considered as Failed in that course and will have to repeat that course.

## 12. FREQUENTLY ASKED QUESTIONS

### Can I do some courses ON-CAMPUS, some ONLINE and some via E-LEARNING?

Regardless of the learning option you choose (ON-CAMPUS, ONLINE or E-LEARNING) once you enroll, you are considered a student at APC Bible College and receive the same certificate/degree on completion of the program requirements. We also offer you the flexibility of completing some courses ON-CAMPUS, some courses ONLINE and others via the E-LEARNING platform. Your student Id remains the same. Please enroll in a course only in one learning option at a time (Example: Please do BC-101 either in Online classes or in E-learning during a particular semester. If you fail to complete BC-101 while doing it in Online Classes, in a future semester you can repeat BC-101 in E-learning).

**Can I take courses in any order, or should I follow the order specified by the college?**

We strongly recommend that you follow the sequence of courses outlined by the college, semester by semester, year by year. However, at your discretion you are welcome to take courses in any order and sequence. Kindly ensure you successfully complete all courses required for a particular program (C.Th., Dip.Th., or B.Th.) to receive that certificate.

**Are the requirements to pass a course the same in all three learning options?**

Not exactly. The course content remains the same in all three learning options (ON-CAMPUS, ONLINE or E-LEARNING). To successfully complete a course for ON-CAMPUS and ONLINE classes you must have both (A) minimum 85% attendance and (B) obtain a passing grade 35% marks or higher (grade C or better). For the E-LEARNING option, you must (A) watch all the lecture videos and (B) obtain a passing grade 35% marks or higher (grade C or better). The course assignments for ON-CAMPUS, ONLINE and E-LEARNING students may differ, and is left to the discretion of the Course Instructor.

**Do you offer transfer credit for completing a certificate program?**

We offer a certificate, diploma or bachelor's degree from APC Bible College. We do not offer transfer credit for completing a course(s) or certificate program. Recognition of APC Bible College can vary based on the church/ Christian ministry/ institution/ organization/ agency that is reviewing your credentials and the country/region of their location and is the sole determination of the receiving church/ Christian ministry/ institution/ organization/ agency. ## **14. PERSONAL PRAYER AND DEVOTION**

As a committed student you should establish a daily time of prayer and Bible reading. These are a vital part of your spiritual development and preparation for ministry and should be a time you set apart from the rest of your day, for just you and God. Do not confuse it with times set apart for meetings, study or other group activities as these things will not provide the same foundation for your life as your own relationship with God.

I accept my attendance at the Bible College as a privilege and not a right. APC-BC reserves the right to require the withdrawal of a student at any time if, in the judgment of the Bible College Administration, withdrawal is deemed necessary.

I pledge to keep the CODE OF HONOR carefully and prayerfully.
